Dear Chairman Martin,

I am writing to urge to curb the corporate takeover of independent media and abandon your plan to relax media-ownership rules (Docket #06-121).

Current FCC regulations limit the number of newspapers, TV and radio stations any one company can own in a particular market. This is one of the few remaining checks on the total monopolization of independent media.

Consumers everywhere rely on independent media for objective news and local information that is important to their lives. It's not in the public interest to strike FCC regulations that prevent the corporate takeover of these independent media.

Who does benefit? Your proposed rules change is primarily in the interest of moguls like Rupert Murdoch, who are looking for a parting gift from the Bush administration as it leaves power.

I urge you to do what is right for consumers, not multinational media corporations, and maintain the FCC rules that preserve independent voices in America. Please tell me how you intend to address this issue.

Sincerely,

Ted Kozlowski
